

# High Frequency Words

The title 'High Frequency Words' is written in a large, bold, sans-serif font. Each letter is filled with a different color from a rainbow spectrum, starting with purple for 'H', transitioning through red, orange, yellow, green, and blue, and ending with purple for 's'. The letters are slightly 3D, with grey shadows cast beneath them onto the white background.

# Kindergarten Review

The image features the text 'Kindergarten Review' in a large, bold, sans-serif font. The letters are filled with a vibrant rainbow gradient, starting with purple on the left, transitioning through pink, red, orange, yellow, green, and blue, and ending with purple on the right. The text is set against a plain white background. Below the letters, there is a soft, grey shadow effect that gives the text a three-dimensional appearance, as if it is floating slightly above the surface.
