

Guess Box

The Project

Decorate a box to represent the book and fill it with objects that represent different parts of the book.

The Details

- You can use a shoebox, oatmeal canister, coffee can or other similarly sized container for this project.
- Decorate your box. You can draw pictures yourself or use pictures from magazines or the internet. Be sure to include the title and author of the book on the box as well as your name.
- Find at least 4-5 different objects. You can use pictures if the object you want to use is too big to fit inside your box.
- Have 2-3 clues for each object to give to the class so they can guess what the objects are.

Tips for Success

- As you read the book, keep a list of ideas for objects that you might want to use for this project.
- Be sure to explain how your objects relate to the book
