

## Weekly Math Fact Practice

Please practice Otter Creek math facts with your student three times a week for a minimum of 5 minutes per day. Please focus on your students' Otter Creek level and facts. Please *initial or sign* each day completed.

### Suggested Strategies:

- Flashcards
  - Write your facts 3 times each
  - Multiplication/Division Bingo
  - Multiplication/Division Top-it
  - Multiplication Basketball
  - Multiplication Baseball
- \* Rules for these games are learned in class and many can be found in the Math SRB
