

Weekly Reading Log Practice

Please read aloud with your child three times a week for a minimum of 15 minutes. Please *initial or sign* each day completed.

Suggested Fluency

Strategies:

Echo reading - Parent or older sibling model fluent reading for the child and then encourage them to reread the same text with support as needed.

Repeated reading - child practices reading a text to a parent or older sibling until they have achieved fluency.

October 2009

Sun	Mon	Tue	Wed	Thu	Fri	Sat
